# FAQS

## Does the NDIS Cover Gardening Services?

Yes! If your disability makes it hard to look after your garden, the NDIS can fund gardening help under your Core Supports (Assistance with Daily Living). Support worker time is usually covered, but things like plants, soil, or upgrades might be an extra cost.

## Are you NDIS Registered?

Yes — we are proudly NDIS registered. We charge under the approved NDIS Support Item Name: Household Tasks  
Line Item Code: 01\_021\_0120\_1\_1  
Price: \$56.98 per hour (as per current NDIS Pricing Arrangements)  
Minimum booking: 2 hours per session

## Can I use my Home Care Package for garden services?

Yes! If you're receiving aged care through a Home Care Package, garden maintenance is often included. Just check with your case manager to be sure.

## How do I know if I'm eligible?

You'll need an approved NDIS plan with Core Support funding.
